* 3 year total cost was calculated as Purchase Price + 2 black toners per month for 36 months + 2 of each color toner per year + 1 maintenance kit per duty cycle. **Does not include staff support costs.**

** 3 year cost / per was calculated as 3 year total cost / maximum toner yield for 2 toners per month for 36 months. **Does not include staff support costs.**

"Your mileage may vary". Toner usage and maintenance kit needs are dependent on the volume and type of printing at each location.
